

The Cathy Neale Memorial Scholarship

The Cathy Neale Memorial Scholarship Fund has been established this past Fall in the memory of the Founder of SMAC's mother, Cathy Neale. Cathy has left a legacy upon those that she had come into contact of giving, caring, devotion and sacrifice. Her impact on each and every person that she has met will last a lifetime. Her giving will continue in this scholarship to help local families and students achieve their goals of funding their college years. Many thanks to everyone that has donated to this fund.

The Cathy Neale Memorial Scholarship Fund will be awarded each Fall to three senior eligible, college bound, student-athletes that have not been awarded full athletic scholarships to attend college. Applicants must have played 3 full spring seasons for the SMAC Basketball Club.

Each winner will receive \$1,750.00 towards their freshman year tuition at their chosen institution. Any member of the class of 2008 that would like to apply and meets the credentials, must submit a one page, typed letter on the following topic: *How sacrifice and giving can influence those around us.* A committee of Cathy's closest friends and families will meet to decide which letters embody the giving and sacrifice that Cathy displayed during her 60 years of life.
